Public Meeting Saturday April 30
2016/04/05 by R.L.B.

This is an annual Rendez-Vous not to be missed by anyone who has the health of the lake at heart.

Don’t miss two special presentations. A video about the Quilliams Project and Historical notes about the lake and its evolution: ‘If the lake could talk”.

Also to be presented and discussed: the state of the lake, projects for 2016, President’s Report.

RBL will provide a special Recognition Award to someone in our community that over the years made the difference.

Bring your neighbours along with you.

Saturday, April 30 2016, Centre Communautaire Lac-Brome, 270 Victoria, 9:30 A.M.
