HELP SAVE OUR LAKE AND WATERCOURSES! JOIN US AT RENAISSANCE BROME LAKE!

YES, JOIN US IMMEDIATELY AT RENAISSANCE BROME LAKE

RBL is a community organization which is dedicated to the environmental health of the Brome Lake watershed. For over a decade it has strived to create awareness among citizens and municipal and provincial authorities about the need to take concrete remedial actions. Already, several projects to renaturalize the shorelines (the planting of more than 8,500 shrubs) and the reforestation of the basin (30,000 trees and counting) have been carried out, thanks to the collaborative efforts of Renaissance Brome Lake.

An important network of partners has been put in place over the years as much with other watershed groups as with the neighbouring municipalities and appropriate government departments. RBL has vigorously presented the point of view of citizens who are preoccupied by the restrictions to using the lake brought on by the occurrence algae blooms during July and August of each year.

To continue to progress and succeed, the entire community must make a commitment to be part of a community-wide project to both restore and protect our lake and the other feeder tributaries in the watershed. Please take a front row seat in this process and become or renew your membership in RBL. Any support, financial or otherwise, is most appreciated because we have several projects on the front burner and they await financial support before warming up. If you would like to learn more, please contact us at info@renaissancelbl.com. An income tax receipt will be issued for donation greater than 25\$.

Please cut and mail along with your enclosed cheque.

By supporting Renaissance Brome Lake, I am helping to save our lake.
